- Odense Håndbold edged Brest Bretagne Handball 25:24 in Denmark last week in the first leg of the EHF Champions League Women 2021/22 play-offs.
- The winners of this tie will play Györi Audi ETO KC in the quarter-finals for a place at the EHF FINAL4 2022.
- The leading scorers for the two teams in the group phase also scored the most goals in last week's first leg: Odense's Dione Housheer (now on 76 goals) and Brest's Helene Fauske (75) both netted five times; Brest's Monika Kobylinska also scored five goals.
- Last week's win was Odense's first against a French team after four straight defeats: twice against Brest last year and twice against Metz Handball this season.
- On their way to the final last season, Brest eliminated another Danish team in the play-offs: Team Esbjerg.
- The MOTW could bring together two Danish national team goalkeepers: Brest's Sandra Toft and Odense's Althea Reinhardt, both part of the team that won bronze at the 2021 IHF World Championship in Spain.
